AGE LIMIT

The participant must be 18 or older as of 3 November 2024.

42K RACE COURSE

42K TRACK

The race starts approximately 250 meters before the toll booths in front of the 15 July Martyrs Bridge bus stop. After crossing the bridge, the track goes down to the coastal road by following the Beşiktaş turnoff and Barbaros Boulevard. Afterward, it enters the Galata Bridge by following the road to Dolmabahçe Street, İnönü Stadium, Dolmabahçe Palace, Mebusan Street, Fındıklı, Tophane, Kemeraltı Street, Salı Pazarı, Karaköy.

The course, which turns in Sirkeci direction after Galata Bridge, follows the coastal road to Sirkeci, Kennedy Caddesi, Cankurtaran, Kumkapı, Yenikapı, Yedikule, Zeytinburnu, Bakırköy, Rauf Orbay Street, and finally to the Air Force Academy vehicle evacuation gate. Then, the course, which turns from here and follows the same coastal road, enters from the lower gate of Sirkeci Gülhane Park. After passing through Gülhane Park, it leads to Sultanahmet Square via the Tramway Road and the race ends at the “At Meydanı (Hippodrome)” between the entrance gate of the Blue Mosque and the Obelisk, the meeting and sports center of the Roman, Byzantine and Ottoman empires.

SAFEKEEPING ITEMS

On the left side of the 42K and 15K start points, there will be vehicles for items that will deliver the items of the athletes to the finish point. All athletes will deliver the bags given to them during the kit distribution to the relevant vehicle according to their bib numbers and receive them at the finish point by showing their bib numbers.

Departure time of 42K Safekeeping Items vehicles: 09.00

Departure time of 15K Safekeeping Items vehicles: 09.15

Each vehicle will pick up bags within certain bib number ranges. You can deliver your bag to the relevant vehicle according to your bib number.

The athletes who will give their bags to the Safekeeping Items vehicles must put the bag number given by the organization on the front compartment of their bags.

The bags must be delivered to the Safekeeping Items vehicles before the deadline. Bags not delivered until this time will not be accepted.

Participants should not keep valuables, money, phones, wallets, etc. in the bags they will give to the safekeeping items buses. In case of loss of the bags, the organization and its officials and employees will not be responsible.

If the bag is left in a place or vehicle other than the Safekeeping Items Tents/Buses, the bag may not be accessed. In such a case, the organization and its officials will not be held responsible in any way.

ROUTE LINE

There will be lines coloured on the route in order to follow during running and it is the same colour as your bib number.

MEDAL

Athletes who finish under 6 hours and 20 minutes in the marathon (42K) and under 2 hours and 15 minutes in the 15K will be presented their medals at the end of the race.

CUT OFF

42K (Maraton)

1K 00:10 09:10

5K 00:45 09.45
10K 01:32 10.32
15K 02:18 11.18
20K 03:04 12.04

5K 00:45 10.10
10K 01:32 10.47
15K 02:18 11.33

Race time limit For 42K 6 hours 20 min.

Race time limit For 15K 2 hours 15 min

Athletes who can't keep up with the above timing can continue running from the pavement. The points on the track will be opened to traffic gradually. Those who complete the race are not classified and do not qualify for medals.

TIME LIMIT FOR THE RACE

The time limit for the marathon is 6 hours and 20 minutes. The points on the course will be opened to traffic gradually. Runners who have not yet completed the course may continue the run on the pavement. Athletes who finish the course after 6 hours 20 minutes will not be classified, and they cannot claim medal or certificate.

ELECTRONIC TIMING TRANSPONDER (CHIP)

All participants who register for the race will receive an electronic timing transponder (chip) at the Marathon Expo.

Please do not forget to tie the chip on your shoe before the race. The time of any participant running without a chip cannot be measured.

We strongly urge you not to exchange your chip with other runners because your chip is identified by your credentials.

After you finish the race, please do not cross the finish line a second time or re-enter any part of the route.

PACE GATES

According to the bib numbers given to you, you can enter the start area from the pace gates indicated. For Example, an athlete whose bib number indicates that s/he will enter through gate "A" will not be allowed to enter the race area through gate "B".

WATER STATIONS

There will be water stations on the race course at

5th 10th 15th 20th 25th 30th 35th and 40th km. Public and portable toilets will be available at various points along the race course. The toilet points will be indicated by the directions along the race course for easy access of the runners.

SERVICES OFFERED FOR THE EVENT

1. Time measurement service
2. Race Kit (number bib and electronic chip)
3. Athlete's bag
4. T-shirt
5. Medal
6. Certificate

7. Water and snack stations on the track
8. Food package after the race
9. Photo service

TIMING

The ranking of the elite athletes will be made according to the gun times.

All age groups and other awards will be based on the transponder times. It does not matter how far you are behind the start line, your Race Time begins at the moment you pass through the timing mat on the start line.

LIMITATIONS REGARDING THE ORGANIZATION

Istanbul Marathon is a running organization. It is not allowed to participate in the race with any vehicle other than those permitted and with any kind of animals.

Participants are required to come to the organization in appropriate sportswear.

It is strictly forbidden for all runners registered in any category of the 45th Istanbul Marathon to bring or display any visuals representing any brand, association, organization, formation, etc., other than the visuals such as t-shirts, balloons, flags, etc. distributed as gifts by the sponsor companies. Legal action will be initiated against individuals and institutions whose such behavior is detected.

FIRST AID AND HEALTH TIPS

A sufficient number of ambulances will be on duty throughout the track.

All health measures will be taken at the start and finish areas.

Be sure to be examined before the race. People with respiratory and heart diseases should not participate in the race. You should participate in the race in a rested state with enough sleep. Have breakfast early on the morning of the race and avoid alcoholic and acidic drinks.

Always wear your sneakers with socks. Applying cream on your toes will prevent wounds that may occur after the race. In case of a health problem during the race, leave the race and ask for help from the paramedics.

WARNINGS!

Participants who have completed the registration process are deemed to have read and approved all the rules of Istanbul Marathon.

All information regarding the organization is subject to change (e.g: route, date, fairgrounds, etc.). Please revisit our website in the days close to the race for information regarding any changes.

Only those with a chest number will be admitted to the race area. For family participants, each family member must register separately.

CATEGORY CHANGE

Any category change cannot be made.
